JANUARY 1, 2004

Circular supersedes all other formal and informal policies, procedures, Circulars and practice, whether or not codified, and whether now existing or hereafter arising of any Agency, with respect to or otherwise related to State Travel or reimbursement for State Travel. All State Travel must be authorized, arranged, carried out, and paid for in accordance with this Circular. Reimbursement for State Travel shall only be made in accordance with this Circular. This Circular is applicable to all State Travelers.

Section 2-2 Spirit of This Circular

All State Traveler's seeking reimbursement should incur the lowest reasonable travel expense (examples-sharing a room or riding together) and should exercise care to avoid impropriety or the appearance of impropriety, including the public perception that a business trip has been taken for personal reasons. Public funds may never be used for personal gain. If a circumstance arises that is not specifically covered, either the most conservative course within the "spirit" of this Circular shall be adopted or consultation for guidance with the Department shall be pursued.

Section 2-3 Authority of the Department

The Department shall:

Section 2-8 Budget and Compliance Responsibility

Section 3-2 Authorized State Travel by a State Traveler

Section 3-3 Authorized State Travel

Section 3-5 Criteria for Approval of State Travel

Section 3-6 Travel Arrangements

Section 3-1 Authorized State Travel Generally

A State Traveler shall only be authorized to engage in State Travel in accordance with Sections 3-2 through 3-6 of this circular.

Section 3-2 Authorized State Travel by a State Traveler

A State Traveler is authorized to engage in State Travel under the following terms and conditions:

- (A) Out-of-State Travel must be approved in advance and in writing by the Commissioner, and the Agency Head, or their designees.
- (B) In-State Travel must be approved in advance by the Agency.
- (C) At the discretion of the Department or upon request from an Agency, additional approvals may be requested.

Section 3-3 Authorized State Travel

The Agency shall be responsible for the prior authorization of travel for both In-State and Out-of-State Travel. It shall be the duty of the Agency to review the authority for travel prior to filing travel claims with the Auditor of State.

Section 3-4 Authorized Travel Out-of-State

- (A) Any person who is assigned to a duty station within any state of the United States of America and who is required to be outside the State of the duty station while in travel status for the State, regardless of the source of funds financing the travel, must request and receive written authorization prior to leaving that State. Failure to receive proper authorization can result in denial of reimbursement for the expenses.
- (B) Written approval must be given before a person begins Out-of-State Travel. Agencies must complete and approve all requests for Out-of-State Travel prior to submission. Signatures by the Head of Agency or designee must be original, no signature stamps will be allowed. All requests must include a breakdown of the source of funding (i.e. Federal, Dedicated, and/or General).
 - (1) State Form 823 "Authorization For Out of State Travel" must be approved by the Department for all Agency Heads, board or commission members and employees.
 - (2) A written request or all other persons, if necessary, must be approved by the Agency in accordance with Financial Management Circular #2000-1.
 - (3) State Form 823 should be submitted to the Department at least thirty (30) days prior to the date of departure in order to allow sufficient time for the out-of-state request to be processed by the Department, and order for the ticket to be purchased in time to take advantage of twenty one (21) day advance purchase prices. If it is

JANUARY 1, 2004

not possible to submit State Form 823 thirty (30) days in advance a written justification from the Agency head detailing the reason must be attached to the request. This does not include emergency travel.

Section 3-5 Criteria for Approval of State Travel

- (A) State Travel is designed to reimburse the expenses of a person on State Business and allowing up to one (1) day of travel time the day before and up to one (1) day of travel time the day after the meeting, depending on actual circumstances, as approved by the Department.
- (B) In keeping with the "Spirit of the Circular", travel status should not start prior to, or end after, the normally required periods of time necessary to complete the official State Business. (See Section 2-2)
- (C) The primary purpose for travel must be State Business, but occasionally a person may be approved to take a trip that includes both personal time and business travel. The State Form 823 "Authorization For Out of State Travel" must indicate the complete period of time the person will be Out-of-State, including personal time. No Out-of-State Travel will be approved if it encompasses personal leave both before and after the official State Business. A combination trip benefits the traveler to some extent. A State Traveler shall exercise special care not to seek reimbursement for expenses that could be construed to be personal. If vacation leave or time off is combined with any trip, the lodging and subsistence for the extra days of travel time are not eligible for reimbursement.
- (D) Persons traveling to locations within four (4) hours drive time are generally expected to travel by automobile (example from Indianapolis to Chicago). However, individual circumstances and time commitments before and/or after travel may necessitate airline use. Airline use in these circumstances must be approved by the Agency and the Department.
- (E) Normally "side-trips" are not approved in conjunction with State Travel. However, special calculations are required when the travel includes "side-trips" not required for State Business. If State Business requires the State Traveler to travel from city "A" to city "B" and the State Traveler actually travels to city "C" either before or after going to city "B", the allowable reimbursement would be the prorated commercial carrier fare actually paid between city "A" and city "B" times two (2), or the map mileage times two (2) if driving a personal vehicle.

Section 3-6 Travel Arrangements

- (A) When two (2) or more employees are traveling the same general route (using either a State-owned vehicle or a privately owned vehicle) the Department requires that only one (1) vehicle be driven if it is administratively feasible.
- (B) Prior to submitting the request for Out-of-State Travel, the Travel Office shall be contacted regarding reservations for lodging accommodations and airfare, or other travel arrangements.
